## EXPERIENCE

### UI/UX Design / EF4A

2022.04 - Present

Empowerment Funds For Africans (EF4A) is a startup whose main goal is to bring Africans closer to their goals. I worked as the only product designer for the little company and I was responsible for User research, wireframing, Prototyping, User interface, design...

### UI/UX Design / Hostel Pro

2022.06 - Present

Hostel Pro is another startup company that works as an agent to bring house owners looking for tenants with prospective buyers. And with the team, i worked on user research, competitive analysis, wireframing, prototyping, design

### UI/UX Design / Shop Easy

2022.07 - 2022.08

This is a personal project. A mobile app design for e-commerce. Shop easy is a user-centric app designed based on the needs of the users. I worked on the branding, research, competitive analysis, wireframing, design, prototyping and testing.
